Clerk-of-Course

- Please report to the timers meeting
- Your responsibility is to make sure that all of the kids swim in the correct lanes!

If one of your workers does not show up, the assigned job does not revert back to the meet director or anyone else! It reverts back to your team!!

If in doubt, check with Meet Management!

Thank you in advance for your cooperation and participation. Swimming depends upon volunteers. This meet would not be possible without your help! Let's make this a great experience for the children.
